Deena Schaack
No Fault Asphalt

Dear Ms. Schaack,

We would like to take this opportunity to thank you for the excellent job you did on our road. You should be proud of your crew of professionals, they were polite and efficient. We were pleased with the fact that you showed up on time, finished on schedule and within budget. We were quite impressed at how the grades turned out and the quality of the finished project. We appreciated your recommendations for the additional drainage that was needed and overlooked in the original plan.

We feel confident in referring your company to others. We will call you when we have another project.

Respectfully,

Debbi Bindel
